Chapter 1

Resources

Coding rights[1]

Brazilian-born women lead Think-and-Do tank that aims to advance in the enforcement of Human Rights in the digital world by integrating usages and understandings of technology into policy making processes.

Cuida tu info[2]

Security of information and communication.

[1] https://codingrights.org
[2] https://cuidatuinfo.org

Derechos Digitales[3]

Latin American independent organization and non-profit founded in 2005 and whose main objective is the development, defense and promotion of human rights in the digital environment in the region.

Feminist Internet[4]

Works towards empowering more women and queer persons – in all our diversities – to fully enjoy our rights, engage in pleasure and play, and dismantle patriarchy.

Gender Sec wiki | Tactical Tech[5]

This manual is a community-built resource for our growing community of women and trans* activists, human rights defenders and technologists.

Karisma Foundation[6]

A civil society organization dedicated to supporting and spreading the good use of technologies in digital environments.

[3] https://derechosdigitales.org
[4] https://feministinternet.org
[5] https://gendersec.tacticaltech.org
[6] https://karisma.org.co

Me and My Shadow[7]

Tactical Tech's Me and My Shadow project helps you control your data traces, see how you're being tracked, and learn more about the data industry.

PRISM Break[8]

Opt out of global data surveillance programs like PRISM, XKeyscore and Tempora.

Red en defensa de los derechos digitales[9]

Mexican organization dedicated to the defense of human rights in the digital environment.

Security in a box[10]

If you're new to digital security, the Tactics Guides cover the basic principles, including advice on how to use social networking platforms and mobile phones more safely.

Surveillance self-defense[11]

Tips, tools and how-tos for safer online communications.

[7] https://myshadow.org
[8] https://prism-break.org
[9] https://r3d.mx
[10] https://securityinabox.org
[11] https://ssd.eff.org

Take back the tech[12]

Take Back The Tech! is a call to everyone, especially women and girls, to take control of technology to end violence against women.

Tem boi na linha | is There an Ox in Your Line?[13]

Practical guide to combat online surveillance.

Protection of Human Rights Defenders[14]

Protection, security and self-care for human rights defenders.

Donestech[15]

An investigation that arises from the desire to elucidate certain questions to transform research into a reservoir of useful knowledge for people concerned about gender inequalities and, also, for people oriented to social and political transformation.

No fear[16]

To the streets without fear, tools against repression.

[12] https://takebackthetech.net
[13] https://temboinalinha.org
[14] http://consorciooaxaca.org.mx/proteccion-a-defensoras-de-derechos-humanos
[15] http://donestech.net
[16] http://sinmiedo.com.co

La violencia en línea es violencia (video)[17]

Online violence is violence

Quick tips for spaces[18]

Quick tips for facilitating gender-sensitive learning spaces on digital security. A guide created by IWPR and Social Tic, with content by Indira Cornelio, Dhaniella Falk and Alma Ugarte.

Level Up[19]

Resources for the global digital safety training community.

[17] https://vimeo.com/207361788
